

Kite Day!

Δημοσιεύθηκε από evris palios - 30/08/2012 14:20

Hello people!

There is an idea to organize a day(a Kite day) somewhere in Attica(SEF or Anavissos probably).

The concept is:

1. To have Fun and Good time!
2. To fly kites as much as we can and as many as we can!
3. To meet with people that interested about kites, make friends and share our experiences and our knowledge!
4. To try different types of Land kiting(Power kites, stunt kites etc)

So we need to find out if this idea is attractive to you out there!

We need to arrange the details(date,area,participation etc)

All ideas and suggestions are welcome!

If it doesn't work, we are going to do a small kite day by our-self ! LOL!

Think about it and lets

GO Kiting!

Cheers

Evris
